## Our six-step approach to consultation and engagement

Our 'Have Your Say' publication outlines our commitment to engage with, and listen to, stakeholders. It outlines our detailed six-step approach to developing projects, and how you can get involved at every step.

Our 'Public Engagement Strategy' publication reinforces our commitment to engaging with our stakeholders in the development of projects like this. You can get a copy of both of these publications at www.eirgrid.ie.

Step 1
How do we identify needs of the electricity grid?

Step 2
What
technologies
can meet
these needs?

Step 3
What's the best option and what area may be affected?

Step 4
Where exactly should we build?

Step 5
Apply for planning permission.

Step 6
Construct,
energise
(make live),
and share
benefits.

Step 4 is now concluding and we are moving to step five.
